20" wheels come fitted with either 265/50/20 road tyres or 255/55/20 General Grabber A/T tyres, other tyre brands available on request.

Wolftrace Wheels have a massive selection of alloy wheels, for the Ford Ranger all our wheels can be used on standard vehicles or with wide arch kits as we custom drill in house. All wheels have a standard 12 month warranty extendable to 2 years when registered online. For a free brochure please call or e-mail us. We have Ranger wheels from 17" upwards with a full range of road and all-terrain tyres, please contact us for wheel and tyre combinations not listed. Wheels are available with and without tyres, please contact us for prices. We also stock a massive range of wheels for the complete Ford range.
