

 **THE WOLFRACE WHEELS RANGE**

The UK's best-known alloy wheel brand – since 1971

Throughout the past fifty years, the Wolfrace brand has been synonymous with high quality, affordable, industry-leading style conscious products. The current range of stylish alloy wheels offers a huge choice of designs, colours and fitments for a wide range of vehicles including 4x4's and SUV's. Always at the forefront of manufacturing and quality control techniques,

With our head office in Maldon, Essex. The central hub of the company: sales, marketing and distribution work alongside our 30,000sqft distribution centre where thousands of Wolfrace alloys are sent directly to our dealer network in Europe and across the world every week.

The Wolfrace brand and product range enjoys enviable credibility amongst the alloy wheel market and quality is second-to-none, for example, some of our Wolfrace wheels are TUV approved with a five-year warranty on selected finishes. The range is also an approved product for Renault UK.

The History of Wolfrace – at the forefront of the industry since 1971.
Celebrating more than five decades of business.

The Wolfrace brand was created in 1971 with the launch of the new Slot Mag alloy wheel and was the first European company to launch polished alloy wheels into the marketplace.

Throughout our 50 year history, the brand has been synonymous with high quality, affordable, industry leading fashion conscious products, ranging from (in the early days) classic alloy wheels and vehicle racing seats, to the current range of stylish alloys

Always at the forefront of manufacturing and quality control techniques, currently Wolfrace Offers a Lifetime Warranty on Its Explorer Off-Road Wheel Range.

WOLFRACE 71

Over 50 Years Of Excellence

Introducing The Wolfrace 71 Collection

The Wolfrace brand was created in 1971 with the launch of the original Wolfrace Slot Mag alloy wheel. We are an innovative company, Wolfrace Wheels (UK) Limited was the first European company to launch polished alloy wheels into the marketplace.

To Celebrate over 50 years, we introduced the Wolfrace 71 collection, a stunning range that represents the rich heritage of our prestigious brand.

W O L F R A C E VANSPEED

We are thrilled to introduce the all-new Wolfrace Vanspeed wheel range

A dedicated collection of premium, load-rated alloy wheels engineered specifically for modern vans, commercial vehicles, camper conversions, and leisure builds. Combining standout styling with exceptional durability and load-carrying capability that exceeds original equipment manufacturer (OEM) specifications.

Key Highlights:

- Premium finishes to suit any build style: Royal Silver | Royal Bronze | Carbon Chrome Gloss Raven Black | Gloss Raven Black & Polished
- Sizes ranging from 18" to 20" (with select models up to 21" available)
- Increased load indexes – delivering superior strength and reliability for heavy-duty use
- 2-year warranty for complete peace of mind
- Massive range of fitments and custom drilling options to cover all popular vans.

PCD (Pitch Circle Diameter): The diameter of the circle formed by the wheel's bolt holes (e.g. 5×114.3), determining bolt pattern compatibility.

Offset (ET): The distance (in mm) from the wheel's centerline to its mounting face; positive pulls the wheel inward, negative pushes it outward.

Centre Bore: The central hole diameter on the wheel that fits over the vehicle's hub. (Spigot rings provided to size down wheels to match vehicle)

Load Rating: The maximum safe weight each wheel can support, which must exceed half your vehicle's axle load for safety.

WOLFRACE WHEELS UK LIMITED WARRANTY

Wolfrace Wheels UK Limited warrants that it will repair, refurbish or replace to the original purchaser any Wolfrace wheel sold by Wolfrace that is found to be faulty or suffer from defective material or workmanship for a period of one year. This warranty does not extend to damage caused during the fitting of the wheels and/ or tyres unless supplied as a fitted unit by Wolfrace.

Your wheels have a 12 month warranty – you can extend your warranty by registering your purchase online at www.wolfrace.com/register/ and ticking the box to confirm you have read our policy with regard to cleaning.

All warranty extensions either by post or online must be made within 14 days of purchase.

This warranty does not apply if: The damage, defect or functional irregularity occurs to the wheels for any other reason than normal road use. The warranty does not cover accidental damage, negligence or misuse to the wheel or wheels that have been altered or repaired, wheels that have been used with excessive vehicle load or have not been fitted in accordance with Wolfrace wheels fitting instructions as clearly displayed on the wheel box or on line at www.wolfrace.com. No warranty applies to corrosion or paint flaking due to damage caused by curbing or the use of chemical cleaners or any damage caused as a result of racing activity.

No warranty applies to salt corrosion due to neglect of the wheels. If you need to make a claim if a Wolfrace wheel is defective, please refer to the dealer from whom you purchased the wheels. This must be reported within the warranty period and the product must be produced for inspection as well as the original proof of purchase. In the event of a successful claim, Wolfrace will replace the product through the dealer network.

CLAIMING OUTSIDE OF WARRANTY –

Wolfrace offers the following solutions for claiming outside of the warranty period:

Up to 6 months outside warranty: Wolfrace will replace the defective wheel with a new wheel at a cost to you of 50% of the original invoice value.

6 – 12 months outside of warranty: Wolfrace will replace the defective wheel with a new wheel at a cost to you of 75% of the original invoice value.

Replaced wheels become the property of Wolfrace. The conditions above apply only when Wolfrace are in receipt of the claimed wheel.

The original invoice is required for all claims. Register via the form below.

CLAIMS: SHORTAGES OR DAMAGED GOODS MUST BE REPORTED WITHIN 48 hours OF RECEIPT

Wolfrace recommends that wheels are test-fitted prior to mounting tyres.

PLEASE NOTE: Damage claims / general returns are not valid if tyres have been mounted.

STANDARD WARRANTY

All Wolfrace wheels have a standard 12 month warranty that can be extended when a purchase is registered online.

WARRANTY EXTENSIONS

71 Range - 2 Years

Eurosport Range - 2 Years

Explorer Range - Life Time Warranty

Vanspeed Range - 2 Years

In order to activate the above warranty extensions, please register your wheels at www.wolfrace.com/warranty-register-your-wheels.

Wolfrace Explorer wheels boast a lifetime warranty thanks to their high load indexes for of-road style vehicles based on the following conditions.

- Register on www.wolfrace.com/warranty-register-your-wheels at point of sale
- Provide the original purchase invoice number
- Wheels must have been fitted with the correct tyre size / load rating where applicable
- Post a photo of the wheels fitted to your vehicle to wolfrace socials / google in the form of a review.

Please note that the Lifetime warranty is a structural warranty only which covers Buckles / Cracks to the Alloy Wheel.

The Lifetime warranty does not cover Paint finish / Kerbing / Improper Cleaning & Maintenance or Vandalism.

Centre Caps, Bolts, Rivets & other parts not directly part of the Metal Alloy are also excluded from the Lifetime warranty

Wolfrace Fitment Guide & Online Dealer Facilities

The cornerstone of the Wolfrace website, revered for its exceptional utility, is our renowned Fitment Guide. By simply providing the make, model, it Guide. By simply providing the make, mode and year of your customer's vehicle along with the desired wheel size, you can expeditiously advise them on the alloy wheel options compatible with their vehicle. The Fitment Guide also offers comprehensive vehicle fitment details and recommends an appropriate tire size.

Upon logging in, the guide further furnishes you with real-time stock availability information. Additionally, it grants visibility into trade prices for each wheel, suggests retail prices, and highlights approximate lead times for fulfillment, denoted in red.

Our Dealer Sections offer robust support for 24/7 online ordering, enhanced by the option to download images, stock lists, and relevant Wolfrace collateral to fortify your business endeavors.

Facilitating trade online ordering, we provide access through three distinct dealer portals, accessible via the following web addresses:

www.wolfrace.co.uk (select the 'Trade' button)

www.wolfrace.com (click on 'Dealer Login/Trade')

www.wolfracetrade.com (click on the 'Online Ordering' button)

SEARCH BY FITMENT:

Upon proceeding to the next screen, you will be prompted to log in, and a password can be obtained through phone, email, or live chat. Upon successful login as a trade customer, the system dynamically generates prices tailored to your specific profile. Notably, two search options are available on the left-hand side of the screen:

You may employ various search formats such as '5x120', '120x5', '1205', or '5120' to view all available sizes. Alternatively, you can search by PCD and size, such as '5120 18'. If you wish to differentiate between sizes like 8x18 and 8.5x18, you can use search terms like '8018' or '8518', and so on. It is worth noting that the offsets column provides information on the minimum and maximum allowable offsets within this range.

SEARCH BY CAR:

Simply input the car model, and the system will display compatible options and sizes. You can conveniently add tires to your order by clicking on the tire symbol, which will present you with a selection of available tire options for ordering.
